

马耳他驻华大使馆副馆长讲话

Good morning, ladies and gentlemen.

各位女士、各位先生，早上好。

Nihao.

你们好。

It is a pleasure to join you today for the workshop: Patterns Intertwined — Youth Pattern Creation Workshop of Marsaskala, Malta and Dujiangyan, China.

很高兴今天能与各位共同出席“纹样之间——马耳他马尔萨斯卡拉与中国都江堰青年图案创作工作坊”。

Malta and China enjoy an excellent diplomatic relationship; we will in fact celebrate 55 years of this relationship next January. The relationship is positive across all levels, and I think that an activity like this one today is a testament to that. It is wonderful to see that, through this event, we will be bringing Malta and China a little bit closer to each other. Malta and China geographically are very far apart, and we have different cultures; however, we have so much in common as well, like the love for our families and the love for food! People-to-people exchanges are important and essential because, ultimately, the aim for both governments is to foster understanding and continued friendship between both peoples.

马耳他与中国保持着卓越的外交关系；事实上，明年一月我们将庆祝两国建交 55 周年。两国关系在各个层面都积极向好，我认为今天这样的活动正是这一关系的生动见证。令人欣慰的是，通过这次活动，我们将让马耳他与中国走得更加近一些。马耳他与中国在地理上相距遥远，文化也各不相同，但我们同样拥有许

多共同点，比如对家人的热爱和对美食的热爱！人文交流重要且不可或缺，因为归根结底，两国政府的目标都是促进相互理解，并延续两国人民之间的友谊。

The sister-city twinning agreement between Marsaskala and Dujiangyan was formally signed on 7 December 2022. It is intended to promote long-term cooperation in culture, tourism, education, sustainability and people-to-people exchanges, while serving as a symbol of the broader friendship between Malta and China.

马尔萨斯卡拉与都江堰的友好城市结对协议于 2022 年 12 月 7 日正式签署。该协议旨在促进文化、旅游、教育、可持续发展及人文交流等领域的长期合作，同时也是马耳他与中国更广泛友谊的象征。

Malta has only two sister-city twinning agreements with cities in China and another city with an agreement in principle. As we do not have many, we value their importance and role even more.

马耳他与中国城市仅签署了两项友好城市结对协议，另有一座城市达成了原则性协议。正因为数量不多，我们更加珍视它们的重要性和作用。

On behalf of the Embassy of Malta in Beijing, I warmly thank the Dujiangyan FAO for welcoming us to this city and, most importantly, for welcoming this project. I would also like to extend my thanks to Mr. Yan, who is the designer of these beautiful patterns, and Mr. Gavin from the Malta - China Friendship Society for their work in making this workshop a reality in such a short period of time. It is a wonderful idea, and it was great to work with them both in making this happen. I would also like to thank Shanghai Haina Chunangwei Culture & Technology Co., Ltd. for their kind sponsorship in printing the T-shirts.

我谨代表马耳他驻北京大使馆，衷心感谢都江堰市外事办公室欢迎我们来到这座城市，更重要的是感谢他们接纳这个项目。我还要感谢这些美丽图案的设计

师雪岩先生，以及马耳他—中国友好协会的加文先生，感谢他们在如此短的时间内让这次工作坊得以实现。这是一个很棒的想法，能与他们两位合作促成此事，我感到非常高兴。我还要感谢上海海纳创为文化科技有限公司慷慨赞助 T 恤的印制。

Through this workshop, we hope that every young participant here gets into their creative side and enjoys designing their own T-shirt with Maltese and Chinese patterns. I also hope that this T-shirt remains as a souvenir of the great friendship between the Maltese and the Chinese people, and I hope that one day we can also have this art workshop in Malta so that the participants here today get the opportunity to visit Malta. I look forward to seeing the end result and to seeing all the different designs which you will choose for your T-shirt — it will be a unique T-shirt for sure!

通过这次工作坊，我们希望在场的每一位年轻参与者都能发挥自己的创意，享受用马耳他图案和中国图案设计自己 T 恤的乐趣。我也希望这件 T 恤能成为马耳他人民与中国人民深厚友谊的纪念品，并且希望有一天我们也能在马耳他举办这样的艺术工作坊，让今天在场的参与者有机会前往马耳他参观。我期待看到最终成果，也期待看到你们为 T 恤选择的各种不同设计——这一定会是一件独一无二的 T 恤！

Wishing everyone a fun and successful event!

祝大家活动愉快、圆满成功！

Xie xie.

谢谢。
